

BUMPER BAR INSTRUCTIONS

IMPORTANT, KEEP FOR FUTURE REFERENCE

This Bumper Bar fits the following model stroller only:

Urban Single - UI204-000

WARNING

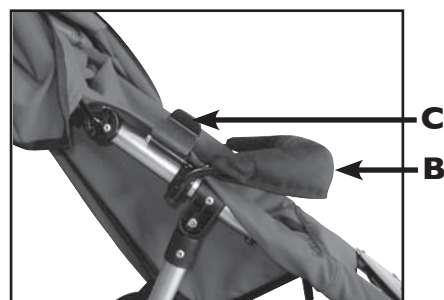

- Bumper Bar **DOES NOT** replace safety harness. Secure infant in safety harness at all times.
- Never leave your child unattended.
- Bumper Bar is **NOT** designed for carrying the stroller.
- Fits Mountain Buggy® Urban Single model only. Do not use with any other model or brand as it may be unsafe.

Attaching Bumper Bar to Stroller

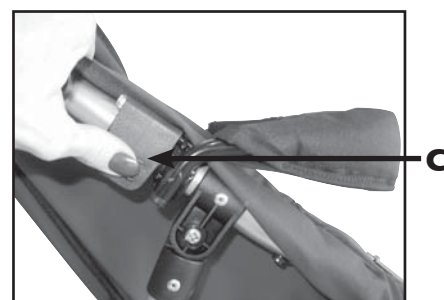

Both Sides of Stroller:

- 1 Release fastener **A**.
- 2 Pull fabric back to expose frame.

- 3 Fit Bumper Bar **B** to frame, between vertical tube joint and sunhood joint.

- 4 Close lock **C** on both sides, until lock clicks to frame.
- 5 Refit fastener **A**.
